

Ways to Support St. Michael School Wine Gala & Auction

Paradise in the Vineyards March 3, 2018

Donate Goods or Services

Do you have a vacation rental available? Season ticket holder to the Giants? A's? Warriors? Symphony? Theater? Do you have unwanted gift cards? Does your company match donations? Do you have family or friends who might donate?

The revenue earned from this fundraiser (except for the designated Fund-A-Need revenue) will be used to support operating costs to keep tuition affordable. For success, we need 100% participation from SMS families through attendance at the event, donations, sponsorship, and/or volunteering before or during the event.

Fund A Need

Last year, your generous donations allowed SMS to purchase PE equipment. This year, 100% of the donations raised during the Fund-A-Need portion will go toward creating a STREAM (science, technology, religious, engineering, art, and math) room for all students.

Donate Wine

Donate a bottle of wine (\$20 minimum value per bottle) for the wine pull. Families will receive 1 volunteer hour for each bottle donated (5 bottles maximum).

We need more volunteers to work during the event on March 3, 2018.

Shift options available between 4:30 p.m. and 12:00 a.m. Volunteers do not need to purchase event tickets unless they want to receive a wine glass for tasting and sit at dining tables when not executing shifts.
