

we learn, we build, we play with
LEGO® Bricks

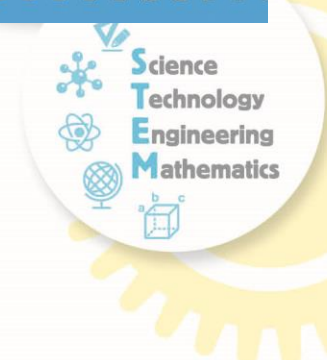

AFTER SCHOOL

So fun... it won't feel like learning!!

INSPIRED BY LEGO®!

WORLD OF SCIENCE!

Calling all future scientists! Come learn, build and experiment with Bricks 4 Kidz! Our budding astronomers, meteorologists, zoologists, and inventors will learn about space, weather, animals, and more! We'll build all sorts of awesome scientific models and gadgets using **LEGO®** bricks that are sure to spark both imagination and intellect. If you just can't get enough of hands-on science fun, then you won't want to miss out on our **World of Science** unit!

This is a hands-on class where students build machines, buildings, vehicles and other structures using on-of-a-kind model plans designed by Bricks 4 Kidz. While exploring principles of engineering, architecture, physics and more students will develop problem solving, hand-eye coordination, socialization, and critical thinking skills.
